

# FAQ'S COVID-19

.....  
.....  
.....  
.....

## **Are we still running classes?**

Yes, our classes are still running as per usual. Our class numbers fall well under the organised gathering limit of 100 people indoors.

## **What are we implementing to prevent any COVID-19 cases?**

International Travel:

We ask that families returning to Australia from any international travel are required to self-isolate for 14 days. If they develop a fever or cough, they should seek medical advice urgently. Furthermore, if your child has come into contact with anyone who has travelled from overseas and displayed symptoms of Coronavirus (COVID-19) we ask that you contact us directly.

Illnesses and exclusion periods:

If your child is unwell or show symptoms of illness, they should see their doctor. Should your child be unwell in any way – even if it is unlikely to be corona virus (COVID-19), please ensure that they are kept at home until they are in good health. In the event your child becomes unwell whilst at DSA you will be contacted to make arrangements to come and collect your child from the studio.

# FAQ'S COVID-19

## **What are we implementing to prevent any COVID-19 cases?**

Hand washing and preventing the spread of germs:

As the coronavirus (COVID-19) continues to evolve, it is important to remember that effective hand and sneeze/cough hygiene is the best defence against viruses and can help prevent the spread of illness. We ask that you take advantage in using the hand sanitiser that is located around the studio. Students will also be offered the use of hand sanitiser before entering and exiting class.

Extra Cleaning:

Our staff are ensuring healthy and hygienic conditions at all times including implementing appropriate hygiene practices in relation to hand washing, toileting, and cleaning of equipment to prevent the spread of germs. On top of our daily clean, additional cleaning staff have also been hired during this time and will attend the studio multiple times throughout the day to ensure all areas are sanitised.

Props:

For the health and safety of our students we have removed the use of props from all of our classes.

# FAQ'S COVID-19

## **What happens if a forced lock down is put in place?**

Should the event of a forced lockdown occurs we have created an online community 'DSA Online' exclusive for all DSA enrolled students. DSA Online is a space that will be used to keep our community connected, not only during these trying times but also moving forward as our family continues to grow and evolve.

## **Event cancellations**

We as DSA are big on family and and keeping out community together at present we have had to cancel/postpone some of our upcoming events:

Open week:

During this time it is important that we limit the amount of foot traffic coming through the studio. As a result we will NOT be hosting open week in term one. We will ensure that we are posting regular video updates on our admin page so that you are still able see your child/ren's progress over the last term.

Solo Showcase:

Our 2020 Solo Showcse will for now be postponed. Once we have new confirmed details on this event we will inform you all.

# FAQ'S COVID-19

## **What are we doing to keep you updated?**

Knowledge is key! At DSA we are offering regular updates on COVID-19 via our facebook page 'Admin Dynamite Studios'. Updates will also be published in our fortnightly newsletter D-NEWS.

Should you have any questions regarding the above information please contact us via [admin@dsa.com.au](mailto:admin@dsa.com.au).

*Positive Vibes*
