GRADUATION LOCKDOWN

In preparation for our end of year production we will be encouraging all of our students to limit their usage of social media two weeks prior to the showcase. This new lockdown initiative will assist our students to remain focussed and mindful as they work towards their goals by eliminating unnecessary distractions during this important time. We feel this will be of benefit to our students mindset and wellbeing as they prepare for the show.

Students will be asked to stay off phones and social media during all show rehearsals. Phones will be returned once rehearsals have finished for the day.

STUDENT BELONGINGS

DSA takes no responsibility for lost or damaged items. Students have full responsibility of their belongings at all times, including costumes.

We ask that no valuable items be brought to rehearsals and/or the theatre to avoid items been placed at risk.

HAIR & MAKE UP REQUIREMENTS

The main hairstyle will be the students own style. We ask that students please bring a show journal to every class to be taking these notes. All hairstyles will need to be approved by Miss Abbe and Miss Erin.

MAKE-UP

All students participating in the show **MUST** have the same make-up style. Please see below and image and checklist of what the make-up requires. Prior to the show, we will hold a make-up workshop to learn how to do the make-up.
