 - an overseas resident with the ability to obtain a student visa;
 - be able to communicate, comprehend and write effectively in English;

Support services are available for students requiring assistance with language, literacy, and numeracy (LLN), study skills, or wellbeing matters. Students who require support should contact the Head of Educational Studies so that an appropriate support plan can be arranged.

Enrolment Period

- Our Full Time and Part Time classes are held over a 38-week period in a calendar year (Dynamite Studios Australia Year), each comprising four terms on dates determined by Dynamite Studios Australia. Our Performing Arts School classes are held over a 40-week period in a calendar year. Students enrolled in a two-year course of study (whether Full Time and/or Part Time) are enrolling in, and committing to, the full two-year program duration. Enrolment is not on a term-by-term or year-by-year basis.
- For students enrolled in a two-year course of study, enrolment is continuous across both years of study. Fees, attendance requirements, and participation obligations apply for the full duration of the program.
- All enrolments at Dynamite Studios Australia are for a full dance year. If the Student's enrolment commences after the Term 1 start date, the Student's enrolment is accepted by us under these Terms and Conditions and will continue for the remainder of the calendar year.
- **New 2025:** Enrolment in the Performing Arts School is assumed to automatically roll over and continue into each new year. All enrolments will continue unless the Academy is notified in writing of withdrawal, with a minimum of two terms' notice required.

Public Holidays and School Holidays

- Classes will not be held on public holidays or school holidays in Queensland unless otherwise stated.

Missed or Cancelled Classes

- Dynamite Studios Australia does not offer make-up classes or refunds for any missed or cancelled group or private sessions.

Attendance

- Attendance in the course of study is compulsory. To achieve the maximum results students are advised that any more than a total of six (6) days absent throughout the entire course may compromise their achievements. Any student who exceeds the recommended leave will need to apply for special consideration in order to complete the program in the time frame or retain their place in performances.
- Students missing more than three (3) classes total through Terms 3 and 4 may result in the student being removed from routines in the Graduation Concert. This would be at the sole discretion of the trainer/assessor/teacher choreographing or cleaning the routine. In these circumstances, no refund for additional extras will be paid. Special circumstances will require discussion with the Artistic Director.
- **New 2025:** At Dynamite Studios Australia Australia, we are committed to maintaining a high standard of performance and professionalism. To ensure all students are meeting the expectations of our program, we reserve the right to withdraw students from performances or performance opportunities if attendance, behaviour, and/or skill progression does not meet the required standards. This decision will be made at the discretion of Dynamite Studios Australia Australia, with the goal of supporting a positive experience for all involved in our Accredited Courses programs.
- In accordance with CRICOS legislation, international students are required to maintain satisfactory attendance as a condition of their student visa. Dynamite Studios Australia Australia is obligated to monitor attendance and report students who fail to meet attendance requirements to the relevant authorities. Falling below the required attendance level may place your student visa at risk.

Behaviour Standards

- To ensure that we provide a safe and enjoyable place to learn and teach, we require that all students, parents/guardians of students and staff comply with the following Behaviour Standards:
 - you must not record, take photographs, or use any electronic means (including mobile phones) to listen in on any student, class, or teacher (whether in a private part of the school or not) without our prior consent;

 - you must always follow all reasonable and lawful directions of our staff and teachers, including any rules or directions given concerning COVID-19 (or any other public health event);
 - you must not use offensive language or engage in offensive or aggressive behaviour. We will determine whether language or behaviour is offensive or aggressive by having regard to what a reasonable person would consider fits this definition in the circumstances;.
 - you must not attend our campus, or any off-campus activity organised by us if you are under the influence of alcohol or drugs (prescription or illicit);
 - you must not engage in any unlawful activity on or off campus or any off-campus activity organised by us;

 - you must not assist another student or staff member in breaching these Behaviour Standards or hiding a breach of these Behaviour Standards.
- If you reasonably suspect that a student or staff member has breached the Behaviour Standards, you are encouraged to report such a breach to us so that we may investigate.

 - provide you with a written or verbal warning that you have breached the Behaviour Standards and further breaches will result in suspension or termination of your enrolment, or

- By enrolling and attending classes with us, you agree to comply with these Behaviour Standards.

Qualification

- Studying towards a qualification at Dynamite Studios Australia does not guarantee that you will complete a qualification or be issued with a certificate/statement of attainment. All theory and practical competencies need to meet the requirements of the training packages prior to awards being issued.
- Dynamite Studios Australia makes no representation, warranty or promise that completion of a qualification will result in the student receiving any offer of employment or other work (whether paid or unpaid).

Assessment

- Assessment is the process of collecting evidence and making judgements on whether competency has been achieved, to confirm that a student can perform to the standard required in the industry as specified in a training package or VET-accredited program.
- Assessment is conducted following the principles of assessment and the rules of evidence.
- Assessment may include a range of written and verbal methods as well as practical demonstrations.
- Dynamite Studios Australia adopts an industry-engagement strategy that strives to involve the industry in the development and maintenance of training programs, resources, and assessment through participation in validation activities, utilising opportunities for trainer and assessor staff to return to the industry and - where possible, with minimal interruption to productivity - conduct training and assessment on site.
- To adequately prepare for each assessment task students must ensure that they have read all the assessment instructions, clarified any areas they are unsure of with their Head of Educational Studies, and discussed any factors that could influence their ability to successfully complete the task.
- Students are required to keep a copy of their assessment tasks and associated documentation as evidence of tasks being submitted.
- If lost or misplaced, it is the student’s responsibility to provide a further copy.
- For each assessment task completed, students will receive a ‘(S) Satisfactory’ or ‘(NYS) Not Yet Satisfactory’. When all assessment tasks have been submitted for a unit of competence students will receive either a “(C) Competent” or “(NC) Not Competent” result. Students must successfully complete each assessment task to be deemed “(C) Competent”.
- Where re-assessment of a task is required, or the need for more training is identified, students are provided with detailed feedback, and a plan for reassessment is developed.
- Students have three (3) attempts at a task. That is, if the first attempt does not meet the performance criteria, a student will be allowed to resubmit twice more only. If further attempts are required, these must be submitted within the duration of the course.

- Should a third (3) attempt be required, resubmission fees will apply.
- An additional invoice for resubmission fees for each applicable task will be issued. This invoice will be due and payable immediately upon receipt of issue.
- For students under the age of 18: if a parent/guardian wishes to be involved in their child's studies, they are encouraged to monitor and manage the Google Classroom relevant to their course.

PAYMENT

Payment of Fees

- Fees are charged on an annual basis and are paid over the full dance year. Each member will receive an invoice for the classes that they are enrolled in. This includes class fees and costumes, along with compulsory extras. Payments will continue to be deducted over the school holidays, however, you're only charged for classes over the 72-week enrolment period. Payments are spread out over 90 weeks, ensuring that all contract values are completed by the Graduation Concert in the second year. Membership fees roll over into each new term unless noted otherwise in writing.
- Payments are only accepted via Card and are deducted weekly on a Friday. Debits will only be deducted from the authorised account that is provided upon enrolment. Any fees that are paid upfront, or via debit, will not be refunded under any circumstances.
- Payees of students are asked to sign the terms and conditions upon Student Enrolment confirming that they have been provided with sufficient, relevant information in which to make an informed enrolment decision. Full payment of fees is required before any issuance of an award or qualification.
- All fees are deducted from your account by Direct Debit, you acknowledge that you understand a payment processing fee of up to 2.7% +30cents per transaction will apply. This fee can be higher for international accounts.
- Failure to pay scheduled fees may lead to a discontinuation of training or a delay in the issuance of an award until the outstanding fees have been paid. Dynamite Studios Australia uses the assistance of debt collection agencies to retrieve outstanding fees greater than 30 days. Where training discontinuation or a delay in the issuing of an award is likely, students will be informed of their rights and responsibilities. Dynamite Studios Australia retains all evidence of fees collected in the financial records and all attempts to recover outstanding fees are kept on the student's file.

Direct Debit Agreement

- If you request to have your fees deducted from your account by Direct Debit, you acknowledge that you have read and understand the Direct Debit Service Agreement, which can be found attached to this document. A copy of this can also be requested by emailing hello@dsa.com.au.

Cooling-Off Period

- After completion of enrolment, a student has a 14-day cooling-off period to cancel their enrolment.
- If you wish to withdraw during the cooling-off period, you must provide us with written notice of your intention to do so by 5:00pm on the 14th day from completion of your enrolment. If you do not provide us with notice by this time, you will be required to pay all fees associated with the course.

Withdrawal

- Dynamite Studios Australia is committed to ensuring that we provide accurate information to students about our services, courses and qualifications prior to the commencement of any formal studies. If problems arise during studies, we offer a range of support services to students to ensure they can complete their studies and boast an excellent completion rate. A student who withdraws (or is suspended or terminated) from a course or qualification after the cooling off period or once they have commenced study will incur full fee liability. Any student wishing to withdraw or defer their studies must apply in writing before disengaging from their course. Payments will continue for the full duration of the program as agreed with no refund for fees or additional fees paid.

Deferment

- Students who wish to defer their enrolment in a course must email Dynamite Studios Australia clearly stating the reason why the deferment is requested, the period of time requested to defer, and - where appropriate - the official documentation that supports the reasons for requesting the deferment.

- Dynamite Studios Australia reviews each request on a case-by-case basis, taking into consideration the individual's circumstances, the time requested, and the student's progress in the course. Students will be notified in writing of the outcome of their deferment application within seven (7) working days.

Refunds

- Dynamite Studios Australia is committed to ensuring fair and reasonable refund and withdrawal practices in accordance with the standards for NVR Registered Training Organisations (RTO) and consumer law. The following principles underpin the Dynamite Studios Australia refund and withdrawals process:
 - Due Care and Skill: All qualifications are delivered by suitably qualified and experienced personnel and are in accordance with Standards for Registered Training Organisations (RTOs) 2025.
